

# Welcome Letter 欢迎信

Good evening, dear parents,

Welcome, and thank you for joining the announcement group chat for Tech Day 2025!

Tech Day is a student-organized event designed to create an opportunity for middle school students who are passionate about technology and STEAM-related career paths to know more about their interests. During the event, students will:

- Meet peers who share the same passions.
- Participate in hands-on STEAM workshops.
- Experience the full “idea-to-prototype” process.
- Present their final projects to expert judges.

A total of 14 awards will be presented, and laser-cut souvenirs will be prepared for every participant. We believe it will be a day full of creativity and innovation!

Students will attend three 40-minute workshops to learn special skills. The rest of the day will primarily be spent working in teams to build a model based on a topic of their choice. This may involve detailed online research and/or digital model-building. The day will conclude with a Tech Fair, where students showcase their work. For a full schedule, please see the attached Student Handbook.

---

## Meals

Both lunch and dinner will be available in the school cafeteria. THISDL students may scan their faces for payment, while non-THISDL students will need to scan a QR code with their phones.

---

## What to Bring

- **Phone** (recommended): for receiving announcements and for communication in case of emergencies.
- **Computer** (recommended): for research and digital project work (students may also use the school’s computer labs).
- **Materials**: while most materials will be provided, students are welcome to bring their own if desired. If you are unsure whether to bring a specific item, please

contact our staff.

---

## Additional Notes for Parents

- Parents interested in a school tour may contact our staff to make a reservation.
  - On the day of the event, students should arrive at THISDL campus between **8:00 and 8:20 AM** (the opening ceremony begins at 8:30). Please enter through the **South-West Gate**.
  - For safety reasons, students must remain on campus throughout the event and follow the directions of our staff. Unauthorized solitary actions are strictly prohibited.
- 

## Sign-Up Reminder

Joining this group chat does **not** mean your child is automatically signed up for Tech Day. To register, please scan the QR code on the event poster (which will be shared shortly).

---

We look forward to seeing your children at Tech Day 2025, and we hope they will have a fun, inspiring, and memorable experience!

Warm regards,

Cheryl Xu

Organizer of Tech Day 2025

各位家长晚上好：

欢迎并感谢您加入 2025 科技日（Tech Day）公告群！

科技日是一个由学生组织的活动，旨在为对科技与STEAM相关职业路径感兴趣的初中生创造一个拓展兴趣的机会。在活动中，学生们将会：

- 结识拥有相同兴趣的同伴。
- 参与动手实践的STEAM工作坊。
- 体验完整的“从创意到原型”流程。
- 向专家评委展示他们的最终作品。

本次活动将颁发 14 个奖项，并为每位参与者准备激光切割纪念品。我们相信，这将是充满创造力与创新精神的一天！

学生们将参加三个40分钟的工作坊来学习专项技能。当天剩余的大部分时间将主要用于团队合作，围绕自选主题制作一个模型。这可能需要详细的在线研究和/或数字建模。当天最后将举行 科技展 (Tech Fair)，学生们将在展会上展示他们的作品。详细日程请参阅附件中的学生手册（Student Handbook）。
